

Mobile Money Transaction Analysis - SMS Data Collection Form Consent

Project Title: Mobile Money SMS Analysis Study

Organization: The ICT University

Researcher: Dejon Fah Joel Xavier

Contact: +(237) 656997810 / joelfah2003@gmail.com

INTRODUCTION & PURPOSE

You are invited to participate in an academic study to analyze mobile money transaction patterns. The goal is to improve financial services and user experience through data-driven research.

DATA COLLECTION & PRIVACY

- **What we collect:** Only SMS messages related to mobile money transactions and basic demographic info.
- **Anonymization:** Your name and phone number will be removed and replaced with a unique ID (e.g., USER_042).
- **Security:** Data is stored securely and will never be shared with unauthorized third parties or used for commercial purposes.
- **Voluntary:** Participation is 100% voluntary. You may withdraw at any time.

CONSENT

By signing below, you confirm that:

1. You have read and understood the purpose of this study.
 2. You voluntarily agree to share your mobile money transaction data.
 3. You understand that your personal identifiers will be removed for anonymity.
